MEF Youth

MEF YOUTH plays a vital role for young people by addressing crucial topics in social economy, culture, education, and the environment. This event provides a unique opportunity to hear from industry-leading experts and businesses, as well as authoritative figures, through their speeches and discussions.

The **MEF YOUTH** event is organized in collaboration with the **TsoilogsoZ** team, with additional support from youth associations such as Unread and etc. By bringing together experts and entrepreneurs who are leaders in their respective fields, **MEF YOUTH** creates a platform for engaging presentations and insightful discussions on key issues affecting the youth today.
